

## September 10<sup>th</sup> to 12<sup>th</sup> 2010 EWHN Conference Working Life Beyond the Global Economic Crisis: Changing Patterns of Working.

The Conference will commence with a range of Workplace visits to a variety of locations within a relatively short travelling time from Leeds. Visits will depart from the University promptly on the Friday morning and return by lunchtime. Departure times will be posted in the information pack and at the Conference Reception Desk and Information Point. Some of the visits include lunch at the venue [as indicated in the table] and return journeys will be later.

	<b>Workplace</b>	<b>Nature of Business</b>
WV1	Sheffield Hospital Trust	Spinal Injuries Unit -unit dealing with severe injuries
WV2	Sheffield Hospital Trust	Catering Services - hospital catering unit for large urban hospital
WV3	Sheffield Hospital Trust	Laundry Services - in house laundering unit for large urban hospital
WV4	Mining Museum, Wakefield	Museum of Coal Mining = opportunity to go 450ft down one of the oldest working mines in England

It is expected that discussion will be possible with workers, safety representatives/stewards as well as managers
